*Education and Training Board*

## Other Parties Involved in Education and Training:

MSLETB is dedicated to establishing and nurturing relationships with external parties and stakeholders to enhance and expand its further education and training services. The organisation will carefully manage these relationships to ensure they do not harm MSLETB or tarnish its reputation. Safeguards will be in place to prevent conflicts of interest.

MSLETB will comply with the quality assurance standards of the certification bodies it partners with, ensuring that these bodies are both reputable and legitimate. Additionally, formal agreements and procedures will govern MSLETB's collaborations with contracted education and training providers, all of whom will be reputable and legitimate. Procurement of contracted education and training is provided at government agency.

In selecting expert panellists, examiners, and authenticators, MSLETB will adhere to agreed-upon terms of reference and exercise due diligence in its selection.
