How to Appeal your MSLETB Further Education and Training (FET) assessment result

What will your MSLETB FET Centre do?

Step 1

The Centre/programme manager who is in charge of assessments will look at your completed appeals application form.

If your appeal matches one of the listed reasons, the manager will ask an appeals reviewer to examine the appeal. The manager will tell you this in writing within ten (10) working days after getting your application.

If your appeal does not match one of the listed reasons, the manager will tell you this in writing within ten (10) working days after getting your application.

Step 2

The Appeals Reviewer will examine the appeal and make a decision. The Appeals Reviewer will tell you this in writing within ten (10) working days after getting your application.

Step 3

The Appeals Reviewer will tell you the decision in writing within ten (10) working days after getting your application.

Step 4

The Appeals Reviewer will tell you the decision in writing within 30 working days from the date you lodged your appeal, about the decision.

What decision could be made about your appeal?

You could be:

- given you the same mark
- given you a higher mark
- given you a lower mark
- allowed you to (re)sit the assessment, when available, without enforcing the ETB rules of repeat assessments
- the assessment could be declared null and void and the result cancelled

What is a Final Appeal?

If you do not accept the decision of the Appeals Examiner, you can appeal to the relevant awarding body.
