INTRODUCTION

Mayo, Sligo and Leitrim ETB

Mayo, Sligo and Leitrim Education and Training Board (MSLETB), provides a comprehensive range of education and training services throughout the region. One of 16 ETBs nationally, MSLETB has the largest geographical area, covering 9,014 km² across the 3 counties. MSLETB serves a population of 243,000 people and its head office is located in Castlebar, with additional offices in Sligo and Carrick-On-Shannon.

We have a 21-member Board which has oversight of the services provided by almost 1,700 staff, to over 22,000 learners, with an annual budget of almost €120m. Our learners include fulltime students in post primary schools and also learners engaged in a wide range of Further Education and Training (FET) courses.

MSLETB educational provision includes 17 second level schools, while further education and training services are provided through education colleges, training centres and a range of adult and further education and training centres.

These locations deliver education and training services such as, Post Leaving Certificate Courses (PLCs), VTOS, Youthreach, Outdoor Education, Youth Services, Career Traineeship and Apprenticeship. The range of information and activities included in this website give some indication of the full scale and breadth of our Education and Training Board services.

Mayo, Sligo and Leitrim ETB places learning and the learner at the heart of its education and training provision with a mission of providing real opportunities for life and living to people in our region.

NZEB Centre Of Excellence, Collooney

MSLETB is currently developing a centre for training adults in skills relating to NZEB¹ (Nearly Zero Energy Building) and retrofitting. Building works are currently underway in the centre in Collooney, Sligo, and are expected to be completed by September 2025.

A range of relevant programmes will be offered through the NZEB Centre Of Excellence including, for example, the following:

Construction Skills for Energy Conservation:	NZEB Fundamental Awareness
External Wall Insulation	Thermal Insulation Installation
Air Tightness and Vapour Control	
Retrofitting Skills	

Programmes will also be delivered in the wider sustainability area including, for example, Sustainability Leadership, Circular Economy in the Workplace, etc. These programmes are certified either through QQI at Levels 4, 5 and 6, or through City & Guilds.

MSLETB now wishes to recruit a Development Officer for the GRASP Project (see overleaf for information on the GRASP Project). This is a full-time, fixed-term post to December 2028.

¹ NZEB refers to a building with very high energy performance. The nearly zero or very low amount of energy required should be covered to a very significant extent by energy from renewable sources, including energy from renewable sources produced on-site or nearby. The NZEB standard has applied to all new buildings occupied since 2021, and all new public sector buildings since 2019.

GRASP Programme:

Green Accelerator Skills Programme (GRASP) supported by the PEACEPLUS Programme, managed by the Special EU Programmes Body (SEUPB).

Background:

There is a significant Green Skills deficit in the combined cross-border construction sector. This is contributing to considerable underachievement of environmental targets and increased levels of public expenditure. There is an urgent need to accelerate the decarbonisation of residential and public buildings, which in Northern Ireland, contribute to 16% of local CO₂ emissions, the highest in the UK. In Ireland, this figure is 10% and growing. GRASP will address the Green Skills deficit required to enable achievement of Programme area net zero CO₂ emission targets (2030 and 2050).

Partner Organisations:

GRASP (Green Accelerator Skills Programme) will enable eight Further Education and Training (FET) institutions in the Irish Central Border Area Network (ICBAN) area, to collaborate with construction sector partners to develop a suite of Green Skills qualifications designed to meet increasing demand. Green Skills are those required to construct /retrofit buildings to near zero energy standards. GRASP is led by South West College, with the following bodies working together on the programme:

<i>Northern Ireland:</i>	<i>Republic of Ireland:</i>	
South West College	Mayo, Sligo and Leitrim ETB	ATU
Southern Regional College	Donegal ETB	Futurecast
North West Regional College	Cavan and Monaghan ETB	

The programme will be evaluated by ICBAN, whose membership includes nine councils in Northern Ireland and the Republic of Ireland.

Activities:

The partners have identified 50 Green Skills programmes of study aligned with specific construction sector needs, as confirmed through targeted consultation with public and private developers. These span areas including:

- (i) Domestic retrofit
- (ii) NZEB tradesperson and site supervision
- (iii) PassivHaus design
- (iv) Photovoltaic systems management
- (v) Environmental auditing
- (vi) Digital construction technology.

In addition, GRASP will include two Green Skills Academies:

- (i) Women into Construction
- (ii) Labour Activation.

GRASP will also encompass cross-cutting activities:

- Activities designed to promote Green apprenticeships and develop joint awards;
- Development and delivery of a residential carbon literacy programme; and
- Schools outreach programme to raise awareness of Green Skills employment opportunities.

GRASP will result in a collaborative and consistent approach to Green Skills development and delivery across nine counties in the programme area: Armagh; Cavan; Derry-Londonderry; Donegal; Fermanagh; Monaghan; Leitrim; Tyrone; and Sligo. This will result in the development of a Construction Sector workforce, which is adaptable and knowledgeable in sustainable practices. As such, GRASP will increase regulatory compliance and profitability, whilst creating a more environmentally sustainable programme area.

The Application Form allows applicants to detail their qualifications, skills and experience and how they meet the essential requirements and personal attributes of the post.

Please note: Only applications submitted on the official application form will be considered. The application form is available on the MSLETB website www.msletb.ie.

Health

Candidates must be in a state of health such as would indicate a reasonable prospect of ability to render regular and efficient service.

Selection Process

The Selection Process may include:

- shortlisting of candidates on the basis of the information contained in their application
- an initial/preliminary interview which may in turn include a questionnaire and/or presentation by the candidate;
- a competitive interview, which may also include a presentation or other exercise by the candidate.
- Work sample/role play/ media exercise, and any other tests or exercises that may be deemed appropriate.

Please note that if MSLETB deems that there is an insufficient number of candidates for a competition to proceed, MSLETB reserves the right to re-advertise the position. Any candidates who applied for the original competition will be entered into the re-advertised position competition automatically.

Shortlisting

The number of applications received for a position generally exceeds that required to fill existing and future vacancies for the position. While a candidate may meet eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, MSLETB may decide that a smaller number will be called to the next stage of the selection process. In this respect MSLETB provide for the employment of a shortlisting process to select a group who, based on an examination of the application forms, appear to be the most suitable for the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience.

An expert board will examine the application forms against agreed shortlisting criteria based on the requirements of the position. The shortlisting criteria may include both the essential and desirable criteria specified for the position. It is therefore in your own interest to provide a detailed and accurate account of your qualification/experience in your application.

MSLETB will not entertain any requests to alter the allocated interview date or time, however MSLETB reserves the right to alter candidates allocated interview date or time. Candidates who do not attend for interview when and where required, or confirm their acceptance of attendance at interview if requested, will have no claim for further consideration and their candidature will be deemed to be withdrawn.

Communication

You may have your ability to communicate effectively in Irish and English assessed. Your ability in the language in which the interview is conducted will be assessed at the interview itself and in the other language by a separate competitive language test. This test will comprise conversation on ordinary topics and, to the extent that this may be appropriate, on matters relating to the duties of the post.

References

We would appreciate it if you would start considering names of people who you feel would be suitable referees that we might consult (2 - 3 names and contact details). These referees do not have to include your current employer, but should be in a position to provide a reference for you.

Please be assured that we will only collect the details and contact referees should you come under consideration for the post.

Security Clearance

When a panel member accepts a post they will need to apply for a vetting disclosure from the National Vetting Bureau if their role is engaged in relevant work (e.g. access to, or contact with, children or vulnerable adults). The applicant will be required to complete and return a Garda Vetting form should they come under consideration for appointment. This form will be forwarded to An Garda Síochána for security checks on all Irish and Northern Irish addresses at which they resided. This process will be initiated by MSLETB for the confirmed successful candidate recommended for any post engaged in relevant work.

If you have lived in any country for 6 months or more from the date of your 16th birthday other than the Republic of Ireland or Northern Ireland it will be mandatory to provide security clearance for each jurisdiction in which you have resided stating that you have no convictions recorded against you while residing there. All appointments will require satisfactory security clearances. Your security clearance must be dated AFTER you left that country and cover the entire period of your residence. Seeking security clearances from other countries (e.g. UK excluding Northern Ireland, USA etc.) are the responsibility of the candidate. It is a process which can take an amount of time. Therefore, if you are interested in pursuing a career within MSLETB we strongly advise that you commence seeking international security clearances now.

Note: Candidates who studied outside of the Republic of Ireland or Northern Ireland e.g. in the UK (excluding Northern Ireland), please pay particular attention to this. You will require UK disclosure to cover the entire period you were in the UK. Clearance must be dated **after** you left the UK.

Other Important Information

Only applications submitted before the closing date and time will be accepted into the competition. Candidates must inform MSLETB of any changes to their details once they have submitted their application form. All further correspondence with applicants will be by email, therefore the onus is on the candidate to keep MSLETB up to date on their current details.

The admission of a person to a competition, or invitation to attend an interview, is not to be taken as implying that the MSLETB is satisfied that such person fulfils the requirements of the competition or is not disqualified by law from holding the position and does not carry a guarantee that your application will receive further consideration. It is important, therefore, for you to note that the onus is on you to ensure that you meet the eligibility requirements for the competition before attending for interview.
