The Selection Process may include:

- shortlisting of candidates on the basis of the information contained in their application
- an initial/preliminary interview which may in turn include a questionnaire and/or presentation by the candidate;
- a competitive interview, which may also include a presentation or other exercise by the candidate.
- Work sample/role play/ media exercise, and any other tests or exercises that may be deemed appropriate.

**Please note that if MSLETB deems that there is an insufficient number of candidates for a competition to proceed, MSLETB reserves the right to re-advertise the position. Any candidates who applied for the original competition will be entered into the re-advertised position competition automatically.**

### **Shortlisting**

The number of applications received for a position generally exceeds that required to fill existing and future vacancies for the position. While a candidate may meet eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, MSLETB may decide that a smaller number will be called to the next stage of the selection process. In this respect MSLETB provide for the employment of a shortlisting process to select a group who, based on an examination of the application forms, appear to be the most suitable for the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience.

An expert board will examine the application forms against agreed shortlisting criteria based on the requirements of the position. The shortlisting criteria may include both the essential and desirable criteria specified for the position. It is therefore in your own interest to provide a detailed and accurate account of your qualification/experience in your application.

## **Interviews**

The scheduling of interviews is at the discretion of MSL ETB. Candidates will be required to attend interviews at their own expense. In general, candidates must physically attend for interview as MSLETB does not normally entertain any requests for phone or video interviews, however currently, it may be a requirement for candidates to be interviewed using Microsoft Teams or using another software solution as determined by MSL ETB. MSLETB will not entertain any requests to alter the allocated interview date or time, however MSLETB reserves the right to alter candidates allocated interview date or time. Candidates who do not attend for interview when and where required, or confirm their acceptance of attendance at interview if requested, will have no claim for further consideration and their candidature will be deemed to be withdrawn.

## **Panel**

A panel may be formed by the interview board. Once a panel is formed, it remains in existence for 1 year and may be extended.

## **Communication**

You may have your ability to communicate effectively in Irish and English assessed. Your ability in the language in which the interview is conducted will be assessed at the interview itself and in the other language by a separate competitive language test. This test will comprise conversation on ordinary topics and, to the extent that this may be appropriate, on matters relating to the duties of the post.

## **References**

We would appreciate it if you would start considering names of people who you feel would be suitable referees that we might consult (2 - 3 names and contact details). These referees do not have to include your current employer, but should be in a position to provide a reference for you. Please be assured that we will only collect the details and contact referees should you come under consideration for the post.

## **Security Clearance**

When a panel member accepts a post they will need to apply for a vetting disclosure from the National Vetting Bureau if their role is engaged in relevant work (e.g. access to, or contact with, children or vulnerable adults). The applicant will be required to complete and return a Garda Vetting form should they come under consideration for appointment. This form will be forwarded to An Garda Síochána for security checks on all Irish and Northern Irish addresses at which they resided. This process will be initiated by MSLETB for the confirmed successful candidate recommended for any post engaged in relevant work.

If you have lived in any country for 6 months or more from the date of your 16th birthday other than the Republic of Ireland or Northern Ireland it will be mandatory to provide security clearance for each jurisdiction in which you have resided stating that you have no convictions recorded against you while residing there. All appointments will require satisfactory security clearances. Please note if you require overseas security clearance and are unable to produce it at the time of the job offer then the job offer may be withdrawn.

Your security clearance must be dated AFTER you left that country and cover the entire period of your residence. Seeking security clearances from other countries (e.g. UK excluding Northern Ireland, USA

etc.) are the responsibility of the candidate. It is a process which can take an amount of time. Therefore, if you are interested in pursuing a career within MSLETB we strongly advise that you commence seeking international security clearances now.

Note: Candidates who studied outside of the Republic of Ireland or Northern Ireland e.g. in the UK (excluding Northern Ireland), please pay particular attention to this. You will require UK disclosure to cover the entire period you were in the UK. Clearance must be dated **after** you left the UK.

produce the required documentation; otherwise the job offer will be withdrawn. These timelines are communicated to you at pre-employment clearances stage – typically this is 5 working days.

When requested, a copy of your overseas Clearance will be retained on file and the original returned to you by post.

**Note: Any costs incurred in this process will be borne by the candidate.**

### **Other Important Information**

Only applications submitted before the closing date and time will be accepted into the competition. Candidates must inform MSLETB of any changes to their details once they have submitted their application form. All further correspondence with applicants will be by email, therefore the onus is on the candidate to keep MSL ETB up to date on their current details.

The admission of a person to a competition, or invitation to attend an interview, is not to be taken as implying that the MSLETB is satisfied that such person fulfils the requirements of the competition or is not disqualified by law from holding the position and does not carry a guarantee that your application will receive further consideration. It is important, therefore, for you to note that the onus is on you to ensure that you meet the eligibility requirements for the competition before attending for interview. If you do not meet these essential entry requirements but nevertheless attend for interview you will be putting yourself to unnecessary expense as the MSLETB will not be responsible for refunding any expenses incurred.

Prior to any candidate being considered for appointment to this position the MSLETB may make all such enquiries including health checks that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

Should the person recommended for appointment decline, or having accepted it relinquish it, the MSLETB may at its discretion, select and recommend another person for appointment on the results of this selection process.

MSLETB will not be responsible for refunding any expenses incurred by candidates.

Candidates who do not attend for interview as required or other test when and where required by MSLETB, or who do not, when requested, furnish such evidence, as MSLETB requires in regard to any matter relevant to their candidature, will have no further claim to consideration.

Candidates are expected to provide all requested documentation to MSLETB, including all forms issued by MSLETB for completion, within five days of request.
