Health

Candidates must be in a state of health such as would indicate a reasonable prospect of ability to render regular and efficient service.

Selection Process

The Selection Process may include:

- shortlisting of candidates on the basis of the information contained in their application
- an initial/preliminary interview which may in turn include a questionnaire and/or presentation by the candidate;
- a competitive interview, which may also include a presentation or other exercise by the candidate.

Shortlisting

The number of applications received for a position generally exceeds that required to fill existing and future vacancies for the position. While a candidate may meet eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, MSLETB may decide that a smaller number will be called to the next stage of the selection process. In this respect MSLETB provide for the employment of a shortlisting process to select a group who, based on an examination of the application forms, appear to be the most suitable for the position. An expert board will examine the application forms against agreed shortlisting criteria based on the requirements of the position. The shortlisting criteria may include both the essential and desirable criteria specified for the position. Candidates who do not attend for interview when and where required, or confirm their acceptance of attendance at interview if requested, will have no claim for further consideration and their candidature will be deemed to be withdrawn

A panel may be formed by the interview board. Once a panel is formed, it remains in existence for 1 year and may be extended.

Communication

You may have your ability to communicate effectively in Irish and English assessed.
