Teaching Council Garda Vetting

As per MSLETB Garda Vetting Policy, staff employed where Teaching Council Registration is required as part of their employment, will be vetted in accordance with Teaching Council Standards. In such circumstances staff will be required to submit up to date disclosure documents as and when required by MSLETB.

Please note MSLETB deems a Teaching Council Garda Vetting Disclosure expired 3 Years after its issue date. (e.g disclosure issued on 25/07/2022 expires 25/07/2025)

If it is the case that your Teaching Council Garda Vetting has expired as per example given above, please complete a **Conduit Vetting Application** with the Teaching Council. A conduit vetting is a vetting application outside the re-vetting process which is required for employment purposes.

It is essential that your Teaching Council Garda Vetting Disclosure is **current** in order to commence employment with MSLETB,
