1. Purpose

Mayo, Sligo and Leitrim Education and Training Board (MSLETB) is committed to practices which safeguard the welfare of students, young people and vulnerable persons. This policy is intended to ensure that comprehensive measures are in place within the organisation to uphold that commitment.

2. Scope

This policy applies to all:

- Employees,
- Students on work experience,
- Student Placements with MSLETB, and,
- Volunteers

in respect of all services and activities provided by Mayo, Sligo and Leitrim ETB which involves access to and/or interaction with children or vulnerable persons.

3. Policy Statement

Mayo, Sligo and Leitrim ETB is a relevant organisation under the National Vetting Bureau (Children and Vulnerable Persons) Acts 2012 to 2016 (hereinafter referred to as the “Act”). Mayo, Sligo and Leitrim ETB also provides vetting services for affiliate organisations.

Any work or activity which is carried out by a person, a necessary and regular part of which consists of the person having access to, or contact with, children or vulnerable persons (see appendix 1 for definitions), will require the person to be vetted in accordance with the above “Act” , Mayo, Sligo and Leitrim ETB and National Vetting Bureau procedures.

4. Legal & Regulatory Framework

Vetting applications will be processed in accordance with, inter alia:

- Child Protection procedures
- National Vetting Bureau (Children and Vulnerable Persons) Acts 2012 to 2016
- Criminal Justice (Spent Convictions and Certain Disclosures) Act 2016
- Children First Act 2015
- Teaching Council (Amendment) Act 2015
- Data Protection Act 1988 and 2003
- Department of Education and Skills Circular Letter 0031/2016 and subsequent circular letters
- National Vetting Bureau procedures
- Mayo, Sligo and Leitrim ETB procedures

Mayo, Sligo and Leitrim ETB is registered with the National Vetting Bureau. Mayo, Sligo and Leitrim ETB reserves the right to initiate a vetting in respect of each of the following:

- Employees,
- Students on work experience,
- Student Placements with MSLETB, and,
- Volunteers.

5. Vetting Procedures

Staff, Volunteers and Student Placements with MSLETB

Where relevant staff will be subject to vetting. This includes existing staff as the “Act” provides for retrospective vetting.

New, existing staff, and staff on placement with MSLETB will be required to submit vetting in accordance with MSLETB vetting policy.

Staff, who have undergone the vetting process as part of the recruitment process, or as part of the retrospective vetting will be re-vetted in full (3 years or earlier if necessary/desirable).

Staff employed as a, where registration with the Teaching Council of Ireland is required as part of their employment, will be vetted in accordance with Teaching Council standards. In such circumstances staff will be required to submit up to date disclosure documents as and when required by MSLETB.

Teaching staff returning from career break of two years are subject to Garda vetting in accordance with the relevant circular letters issued by the Department of Education & Skills. The same vetting process applies to both new entrants and existing staff.

Mayo, Sligo and Leitrim ETB will not allow any volunteer and/or Student Placements with MSLETB to undertake relevant work or activities on behalf of the organisation unless the role for which they are being engaged has been risk assessed by the relevant Manager in conjunction with the Liaison Person.

Where the risk is identified, the person will be required to complete the vetting process prior to any engagement. Where vetting is required the individual shall complete the full vetting process prior to taking up duty or delivering services.

Students/Learners/Trainees

Mayo, Sligo and Leitrim ETB provides courses that require students/learners/trainees to obtain work experience/placement which may involve access to, or contact with, children or vulnerable persons. It will be a requirement of the course for students to undergo vetting and to meet satisfactory vetting in order for them to obtain relevant work experience/placements with MSLETB to complete the course. A student/learner/trainee must present evidence of their Garda Vetting to the employer before commencing work experience. It is a matter for the work experience/placement employer to decide on whether Mayo, Sligo and Leitrim ETB vetting is satisfactory or whether the student is required to undergo their own vetting process.

It is a criminal offence for a student/learner to proceed on work experience without Garda Vetting. Students/learners/trainees who are under 16 years of age cannot be Garda Vetted, therefore, in the case of under 16s who wish to go out on work experience/placement in a setting which consists of the person having access to, or contact with, children or vulnerable persons, the organisation providing work experience/placement will be issued with a letter from the Principal/Director/Co-ordinator stating that the student/learner/trainee has not been vetted. The organisation will be asked to sign and return a document accepting this and confirming that the student/learner/trainee will be supervised at all times while on work experience/placement with them.

Vetting is valid for 2 years or for the duration of the course, whichever is the sooner, providing the student/learner/trainee is continuously enrolled on a Mayo, Sligo and Leitrim ETB course.

Notwithstanding the above, best practice indicates that the student/learner/trainee should be

supervised during their placement and should not be permitted to have unsupervised access to the children or vulnerable adults.

6. Re-vetting

All staff, volunteers and student placements with MSLETB who are vetted must maintain satisfactory vetting throughout their employment/engagement with Mayo, Sligo and Leitrim ETB. Failure to do so may result in termination of employment/engagement. Mayo, Sligo and Leitrim ETB reserves the right to re-vet all staff/volunteers/student placements with MSLETB at any time during their employment, due to requirements under legislation and to ensure best practice (3 years or earlier if necessary/desirable). Any change in contract or additional assignments may require the person in question be re-vetted in full, subject to Section 20 on the National Vetting Bureau (Children and Vulnerable Persons), 2012.

Vetting may not be required on the basis that an individual's responsibilities do not change in relation to the relevant work or activities detailed under the Act. In this instance the Line Manager / Principal would determine if re-vetting applies which may include a risk assessment of the individual's change of role / promotion.

7. Identity Validation Requirements

All applicants are required, under the Act, to provide documents to validate their identity and current address. Documents required are **one from each of the two categories listed below**:

9. Vetting for Transgender Persons

The law requires that you disclose all of your previous names and addresses to the National Vetting Bureau (NVB) so that your application can be correctly processed. The NVB does however have a process whereby you can disclose your previous gender/name to the NVB only and not reveal this data on the vetting application form.

This is known as the 'Sensitive Applications Process'. This process ensures that your information is handled sensitively and securely by the NVB and not revealed to the registered organisation seeking vetting in respect of you.

In order to utilise this process you must contact the NVB's Sensitive Applications Team. This will ensure that your previous gender/name is not released while permitting you to comply with the law. A member of the team will be able to answer all of your questions about completing the application form and will record your details so that we can track your application when it arrives. Once it arrives at the NVB we will monitor your application and check the content of your NVB disclosure before it is issued.

Contact 0504-27300 and look for the Sensitive Applications Team.
