- Creative Applications in Ceramics
- Spanish
- French
- Beekeeping
- Animal Grooming
- Organic Crop Production

Leadership, Mentoring & Professional Skills

- Developing Leadership Skills
- Supervisory Skills
- Talent Management
- Coaching & Mentoring
- Conflict Management & Mediation
- Transversal & Human Skills for the Workplace
- Training Delivery & Evaluation
- Reception & Front-line Office Skills
- Research Methodologies
- Academic Supervision (Capstone Projects)

Project Management

- Project Management Principles & Practices
- Lean Six Sigma
- Agile Project Management

Artificial Intelligence & Data

- Introduction to Artificial Intelligence
- Machine Learning & Predictive Analytics
- AI in Business & Society
- Ethics, Governance & Responsible AI

Outdoor Recreation & Education

- Outdoor Leadership & Group Facilitation
- Adventure Education (e.g., climbing, kayaking, hillwalking)
- Environmental Studies & Sustainability
- Risk Management & Outdoor Safety
- Coaching & Instructional Skills
- Inclusive & Special Educational Needs in Outdoor Settings

Healthcare Fundamentals & Clinical Skills

- First Aid Responder (PHECC)
- Care Skills
- Care of the Older Person
- Infection Prevention and Control
- Safety and Health at Work
- Palliative Care

Healthcare Technology & Innovation

- Digital Health & Telemedicine
- Virtual Reality & Simulation in Healthcare
- Digital Health & Health Informatics
- Healthcare Entrepreneurship & Innovation
- Contamination Control in Cleanrooms
- Biopharmaceutical Manufacturing Processes

Healthcare Leadership & Management

- Healthcare Management & Leadership
- Mental Health & Wellbeing

- Sustainable Healthcare & Green Practices

Culinary & Hospitality Skills

- Food Safety and Hygiene
- Food Preparation
- Culinary Skills
- Sustainable & Ethical Hospitality
- Hospitality Innovation & Experience Design
- Digital Marketing & Revenue Management for Hospitality
- Wine & Sommelier Studies

Food Safety & Culinary Skills

- Health and Safety
- Food Safety and Hygiene
- Food Preparation and Culinary Skills
- Sustainable Culinary Practices
- Food Innovation & Product Development
- Culinary Technology & Smart Kitchens
- Global Cuisine & Cultural Food Innovation
- Entrepreneurship & Culinary Business Innovation
- Functional & Sustainable Pizza Creation
- Pizza Entrepreneurship & Menu Innovation
- Artisan Chocolate Crafting & Confectionery Techniques

Engineering, Manufacturing & Skilled Trades

- Welding (MMA, MIG, TIG)
- Mechanical Automation & Maintenance Fitting – MAMF (Pneumatics, CNC, Hydraulics, Technical Drawing)
- Vehicle Body Repair
- Toolmaking
- Carpentry and Joinery
- Manufacturing - Electrical Principals, PLCs, Electronics, Robotics, Control Systems, Maths for IT, Industrial Electrical Systems
- ATV Training QQI Level 5

Digital Marketing & Content Creation

- Digital Literacy Skills
- Digital Content Creation
- Digital Marketing Tools & Software
- Digital Marketing and Media Law & Ethics

- Content Marketing and Generative AI
- Generative AI for Digital Marketing & Media
- Media Planning and Buying
- Podcasting Fundamentals
- Social Media Marketing
- Digital Marketing and Media Planning & Implementation

Digital Transformation & Leadership

- Digital Transformation Leadership
- Emerging ICT Trends & Innovation
- Cybersecurity & Digital Forensics
- Data Analytics for Digital Decision-Making
- Cloud Computing & Digital Infrastructure
- AI Strategy & Implementation

Immersive Technology & Game Design

- Augmented Reality
- Virtual Reality
- XR Development
- Immersive Media Production
- Spatial Computing
- Digital Twinning
- Game Design Principles
- Programming for Games
- 3D Modelling & Animation
